Subject: comments before we share Assumption 101 IN.pptx
Attachments: Assumption 101 IN.pptx

Hi, here is a mock-up version of a PPT 101 for IN.

Let me know what I should delete or add. I am thinking of deleting slide 24.

I do need to update the graphic on slide 15 (we actually have 120 days, including the 30 days to determine if pkg is complete). Really this timeframe is impossible with all the required input timeframes. Another thing to add to the list of reg revisions! - Kathy

Send me comments early next week – by COB Tuesday?

Do you all want to set up the next call with IN? I can, but if we are shifting the POC Also, happy to let you all give the PPT and me just be there to offer ways states have approached the various pieces.

Oh, Cathi Libertz, acting div director has asked to be included on meetings about assumption to learn and get up to speed. She will only attend as available. Meaning make it work for everyone else.

Let me know your preferences.

- Kathy
